

# Wisconsin Zone School

Eden Community Center, Eden, WI

Tuesday, July 30th, 2019

10:00AM-3:00PM

Join Ed and Luke Koffman and Environmental Tillage Systems for a free informational strip-till and soil health event.

Presenters will share their journey with strip-till as primary tillage practice and discuss strip-till equipment. Learn how manure application and cover crops can be integrated with strip-till.

See first hand how strip-till and cover crops has worked for Luke during our infield session.

SoilWarrior Demonstration

RSVP by July 26th at
