

Eastview Grain and Environmental Tillage Systems would like to invite you to the Eastview Grain Zone School on September 5th.

Get exclusive access to experts who will address strip-tillage, variable rate seeding and fertilizer application, variable rate soil sampling, & precision technology. There will also be a SoilWarrior demonstration and a variable rate soil sampling demonstration.

Representatives from Growmark FS- Lowville will be available. A precision planter will also be on site!

September 5th, 10 AM- 2 PM

Eastview Grain, 9300 East Road, Lowville NY 13367

(Over the hill from Growmark-Lowville)

Please RSVP for lunch- Aaron Miller at 315-486-8801 or 315-877-4142
