

# CANNON RIVER WATERSHED

## *Soil Health Bus Tour*

**Wednesday, July 31, 2024**  
**9:30 AM to 3:30 PM**

Join farmers, industry representatives, and elected officials on a free bus tour of three farms in the Cannon River Watershed. Experienced farmers will teach you about profitable conservation practices in our region, including strip-till, no-till, cover crops, and winter camelina. You will also gain valuable information about Carbon Intensity Score, carbon credit programs, and market opportunities. The tour includes morning snacks and lunch.

**Twin Oaks Farm**
